

Paws for Wellness: Legalise Hemp for Pets

Did you know hemp seed and hemp seed oil are legal for humans, but not for pets?

Help us change that! Join the Australian Hemp Council's "Paws for Wellness" campaign to legalise hemp seed for pets in Australia.

Hemp seed is a nutritional powerhouse for pets, offering:

- Balanced Omega Fatty Acids: Essential for health.
- Vitamins and Minerals: Supports a balanced diet.
- Protein: High-quality, digestible protein

Our Goal:

We need funds to cover the APVMA fees to legalise hemp seed for pets.

How You Can Help:

Your donation will support the APVMA application process. Every dollar helps bring these benefits to our pets legally.

Join us in making a positive impact.
